DYS 461=12

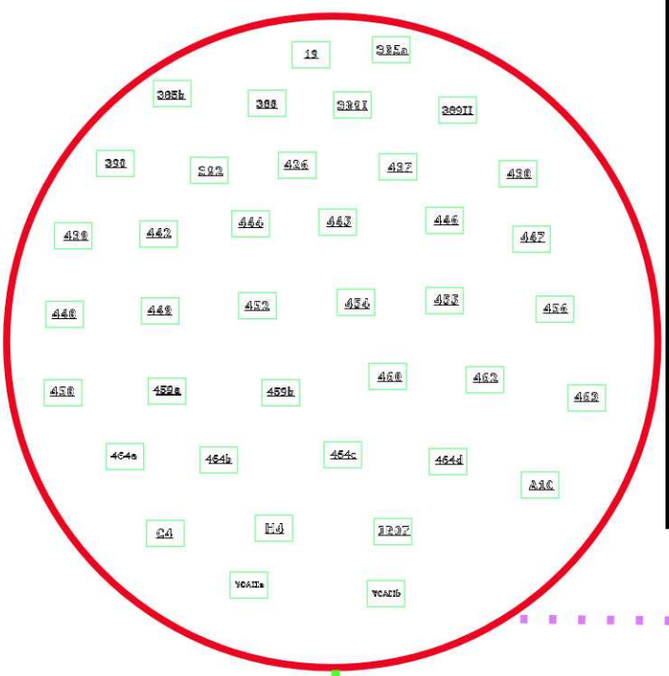
DYS 461=11

The "C" group in the St*r**v*nt Genetic Project at http://www.sturgood.com/dna/result/

This representation depicts the "hole" in the genealogy of the Descendents of William SturDEvant of 1675 Norwalk CT.

It traces the path of the DYS 461 through the known genealogy. A spreadsheet view of these results is available here http://www.sturgood.com/dna/pdf/results_all.pdf

All 6 participants carry these markers and their values. This is the common ancestor



DYS 461=12

Jonathan b. 1670

Jonathan b. 1696

DYS 441=15

Jonathan 1720-40 (b)

Jonathan b. 1761 NY

Joshua b. 1784

Jesse H. b. 1815

C8

Rev. Elisha b. 1796

John S. b. 1798

Eli b. 1835

Rev. Hervey b. 1848

C1

C2

(b) This Jonathan not documented or even known. But is reasonable to assume if we have a line of Jonathans from 1670 to 1761.

(a) James is listed as "son of " in will of John III (4)
